Foreword

Outstanding school events, sports, activities, everyday classroom happenings — all these will be our memories of tomorrow.

After three years in senior high school, it is with a sense of achievement that we face the opportunities and responsibilities of the future. Our varied school experiences, have in some small degree, prepared us for what lies ahead.

Our Administrators

Superintendent Marcks dictates to his secretary, Mrs. Harold Ruth.

Back in 1909, Superintendent F. A. Marcks came to Nazareth Boro as a teacher of Physics, German, and English in the local high school. The following year he was elected principal of the high school. In 1915 he was elected supervising principal.

Since 1937, when Nazareth passed the 5,000 population mark and became a third class school district, Mr. Marcks has been the District Superintendent.

As a tribute to his work as an educator, the Nazareth Chamber of Commerce honored him at a banquet on November 14, 1951.

With Nazareth operating the high school under a joint agreement with five other districts, administrating the school system has become increasingly complex and difficult. However, Superintendent Marcks, as he has done in the past thirty-seven years of supervising this school, is ably handling the new responsibility.

Mr. Graver gives Miss Kilpatrick her daily assignments.

Beginning his duties as principal of Senior High School three years ago, Mr. Lee A. Graver has ably and efficiently supervised the activities of the high school.

During this year he has been instrumental in improving the number and quality of the assembly programs and has acted in an advisory capacity for the Noon Activities.

Battling Blue Eagles

For the second successive year the powerful N. H. S. Blue Eagles have had an undefeated season. Winning the Lehigh-Northampton Interscholastic Athletic League Championship for the second successive year, the Eagles increased their string of undefeated games to twenty, beginning with a victory over East Stroudsburg in 1949.

The first four games were played away from home and the opening game of the season found the Nazareth gridders rolling over an outclassed Lehighton squad. The Blue Eagles walked off the field with the score tallying 33-6 in their favor as a result of touchdowns made by Marakovits, Dzurak, and Donello, supplemented by extra points kicked by Mengel.

Nesquehoning was the next opponent. In this game the Blue Eagles displayed unusual skill in tackling and charging. A powerful running attack, assisted by excellent line blocking, resulted in touchdowns divided between Marakovits, Donello, Arduini, and Dzurak. Mengel again place kicked the extra points.

A decisive victory was scored over Whitehall with a final score of 33–13. For the first time in the season the Blue Eagles demonstrated their dangerous passing attack, completing eight out of twelve passes and completely bewildering the Whitehall Zephyrs. Two spectacular passes from Donello to Rissmiller, covering twenty-five yards, resulted in touchdowns. A dazzling twenty-nine yard run by Marakovits and a deceptive and quick end run by Donello resulted in two more touchdowns. Mengel place kicked three out of four extra points.

The team continued their undefeated march towards the championship by winning the first L. N. I. A. L. game by defeating Coplay with a glaring 46–0 score. Marakovits opened the scoring by going over from the six yard line. Donello followed with a spectacular fifty yard run for another touchdown. From there on the game turned into a free scoring affair with Arduini and Dzurak sharing the scoring with forward passes and ground plays. An outstanding feature of the game was the marvelous

defensive play of the Blue Eagles, Coplay getting no closer to the goal line than the forty yard line.

Before a tremendous crowd of spectators at the first home game of the season, the Blue Eagles defeated Pen Argyl fourteen to nine in a hotly contested game. Although hampered by injuries from the Coplay game, another dazzling display of passing ability decided the game. The Blue Eagles scored in the first quarter on a spectacular pass from the thirty-three yard line thrown by Donello to Boerstler. In the third period Pen Argyl scored, tying the score at seven all. In the fourth period the determined Blue Eagles again went ahead on another thrilling pass play, Donello to Arduini from the twenty yard line making the score fourteen to seven. Another eighty yard march by Pen Argyl was halted on the nine yard line by a stubborn Blue Eagle defense. With time running out, Nazareth lost six yards on three plays and on the fourth down decided on the strategy of giving Pen Argyl two points with quarterback Ferraro running into the end zone

for a safety, making the score fourteen to nine. Nazareth's free kick was fumbled by Pen Argyl and recovered by alert Blue Eagles, putting the game on ice.

Under the night lights the Eagles, in a hard fought game, had to be satisfied with a 13–13 tie with Bangor. On three occasions the Eagles threatened to score but breaks went against them. The offensive work of Donello and Arduini and the tackling of Arduini were outstanding.

As heavy rain postponed the Emmaus game until Monday afternoon, the team racked up seven touchdowns to a discouraged three by Emmaus. Suprisingly the muddy field did not hinder the fine playing of the Nazareth team.

ENTHUSIASTIC CHEERING

Emmaus scored first, leading 6–0, but the remarkable and dazzling long runs of Marakovits's fifty-four yards, Arduini's thirty-six yards, Dzurak's twenty-three yards, and Donello's thirty yards, assisted by excellent team blocking, resulted in a 46–18 score.

East Stroudsburg, who at this time appeared to be the most powerful team on the schedule, was the next challenger for the Blue Eagles. Severe penalties goaded the players to do exceptionally aggressive charging. With marvelous all-round teamwork, N. H. S. defeated the opponents 27–6. An excellent running game mixed in with dazzling surprise passes resulted in touchdowns for Donello, Rissmiller, Dzurak, and Arduini. Mengel placed kicked three extra points.

WE CHEER

Nazareth ended a superbly successful season in a blaze of glory at Cottingham Stadium. Spurred on by a loyal cheering section and with team spirit in evidence throughout, the Eagles moved along in a display of blocking, tackling, passing, and running which was unparalled, defeating the Turkey Day rivals 41–0. This remarkable team effort resulted in a quick touchdown by Arduini from the nine yard line, followed with another by Marakovits from the eleven yard line, making the scoring 14–0 in the first quarter. in Arduini's scoring from the one yard line, making the score 21–0 at halftime. A thrilling forty-five yard touchdown run by Schooner Marakovits in the third quarter followed by two more touchdowns in the fourth quarter, making a total of four for Schooner, ended the scoring. Mengel successfully place kicked five extra points. Donello's passing, Arduini's tackling, the blocking of a punt by Boerstler, Rissmiller's pass snatching, and the defensive play of the entire team were outstanding features of the game.

Frank "Schooner" Marakovits, a three letter winner in football, was elected Honorary Captain by his teammates.

Energetic Girls Enjoy After-School Sports

From October until June, sports-minded girls have the opportunity of participating in hockey, basketball, volleyball, or softball after school each Tuesday and Thursday. Sophomore, junior, and senior teams compete for school championships in each sport.

When brisk October winds blow, hockey enthusiasts rush for their togs and the annual hockey games are on. After vigorous and rough competition, the senior *Hockey Blues*, captained by Gerry Gall and Myrtle Hack, defeated the junior *Bumps-on-a-log*.

Led by captain Tootie Hartzell, the *Silly Dillies* basketeers won the senior championship and then went on to defeat the Wilson team on the home floor. However, Wilson defeated the N. H. S. team at Wilson High School later.

Excited players watch a spectacular third-base play

Captain Hartzell dribbles down center

High scorers were Hartzell with 42, Cressman with 35, and Woodring with 32 points.

During volleyball season the girls played many tough and thrilling games, with the sophomore *Flip Flops* winning the final championship.

The crack of a bat and the sound of excited voices indicate that spring and the softball season have arrived. Last year Janet Sandt's junior *Sluggers* went through an undefeated season to win the championship.

Provide Enjoyment

(1) In Knitting Club the clicking of needles indicates that club members are making sweaters, scarves, and socks.

(2) Splashing their way through swimming lessons, the girls learn adeptness in the water.

(3) As part of their chores, library club members assist Miss Berger at the desk, mend books, and help prepare new books for circulation.

Club

1. With Robert Herd as soloist, members of the mixed Chorus entertained at the Lions Club Christmas Party, December 16, 1951.

2. Members of the First Aid Club learn to bandage an injured shoulder, apply a head band, and put on an open arm sling.

3. GHOST FARM, an entertaining combination of sparkling comedy and tingling mystery, was presented as an assembly program, and later as an exchange program at Wilson and at Bangor High Schools.

Activities

1. To promote an interest in their field, the Commercial Club has speakers and takes field trips to various business concerns.

2. Herb Stone and Armell Moser print greeting cards from their own negatives and prepare negatives for printing.

3. In the semifinal Chess Tournament Robert Seyfried, after winning from Arthur Repp, went on to defeat Salvatore Albani for the championship.

Describing the

Beginning early in September the entire Comet Staff — editorial, layout, art, and business — worked several weeks selecting the outstanding events to be included in the yearbook and the theme or plan of presentation.

During each activity period the layout staff, following the preparation of an over-all plan, worked on layouts and photo placements, while the editorial group wrote senior personalities, articles, and photographic descriptions of school activities. As fast as the material was written, the typists helped prepare the copy for the press.

Year's Events

Meanwhile the business staff, under the direction of Mrs. Lois Metzger, early began soliciting advertisements and patrons, followed by a book-selling campaign for raising sufficient money for publication.

Directed by Miss Jean Clute, the art staff sketched divider pages and end sheets to supplement the seasonal theme chosen.

Under the general direction and guidance of Miss Elizabeth Sloat, the 1952 Comet has been prepared for publication.

Presenting

Because one period a week is not sufficient time to complete their work, the twenty-seven members of Miss Clute's Stage Craft Club spend study periods and out-of-school time in preparing the stage for such events as the senior play, the operetta, the band concert, the fashion show, and the dramatic productions.

In preparing for these productions the club builds, paints, and erects flats, repaints scenery, fixes lights, and sets the stage.

SYNOPSIS OF THE PLAY

Settling with his sister and her daughter in his quiet home town of Stanwich, Mr. Barry, a retired world traveler and artist, seeks to live a peaceful life. When crooked politics threaten to ruin the town he helps the financially deficient "better element" gain control with the aid of his counterfeit money.

Mr. Barry and his friends meet active resistance to their political plans in the form of Mrs. Griswold, wife of the local undertaker..

Metzgar, Rohrbach, Benardo, Zeller

Mr. Barry's Etchings

Quite by accident, international counterfeiters stumble upon Mr. Barry's sideline. When the treasury agents enter the scene, the play reaches its most hilarious and exciting peak. With gangsters being chased by the government, and plots within plots complicating his schemes, Mr. Barry realizes his wrongdoing in manufacturing the counterfeit money.

When the Secretary of the Treasury, the President, and the country in general are awakened to the events in quiet Stanwich, peace is finally restored. Mr. Barry again tries to settle in Stanwich without benefit of his precious, but dangerous, "Etchings."

Enjoying Noon Activities

Spearheaded by Mr. Norman Hughes, a noon activity program was initiated at Nazareth High in November. Although established mainly for the recreation of out-of-town students, the program became so popular that the entire student body asked and was granted permission to attend these social hours.

On alternating days, games and dances have been planned to appeal, to all types of students. With the cooperation of the student body the noon period has become meaningful and of recreational value to the students and faculty.

The study of the intricate pattern of life in its many forms is the major part of the study of Biology. The students learn of the different forms of life and the way in which they effect our health, natural resources, and way of life.

In typing class, students, with wrists up and eyes on their books, practice daily drills.

Student Council Plans Dances and Talent Show

During the year the Student Council helped check and solve student problems and complaints, selected the boy and girl of the month, and sponsored four dances.

Hiring bands and planning and preparing decorations and refreshments for these social affairs kept the Council busy.

The Council also assisted in the selection of out-of-school assemblies and this year they sponsored the student-suggested talent show.

Realizing that students appreciate good assemblies, one of Mr. Goulding's P.D. classes sponsored a talent show on January 11, 1952. As the class thought prizes would induce participants to make more effort, the Student Council suggested the awards be provided from assembly funds.

Featured on this program were popular songs, piano solos, square dances, an orchestra, and a hill-billy band.

Although winning only two games during the season, the basketball team amassed a total of 794 points in eighteen games, averaging more than 44 points per game. With a bit more effort in the final minutes of play, the Eagles might have had quite a reputable record, for they lost six games by ten points or less. Glenn Boerstler was the team's leading scorer with 179 points. Mengle was a close second with 167. Chase bolstered the foul shooting department with a nifty .666 average. Next season appears somewhat brighter, as only two lettermen will be lost through graduation.

That the Blue Eagle wrestlers were off to a poor start for the season was indicated by a 31 to 11 loss to Northampton. Working hard, they came back to beat Easton, last year's Lehigh Valley Interscholastic Wrestling League Champions, 29 to 19; and, under the expert guidance of Coach Skuta, beat Allentown and Phillipsburg by decisive margins. Before a capacity crowd the team met Bethlehem, the strongest league contender, and fought to a 19 to 19 tie. Taking two more losses, the team finished the season tied for second place with 6 wins, 3 losses, and 1 tie.

Although beaten in the District Matches, Dean Rissmiller was the second choice as the league's outstanding wrestler.

Thrills and Spills

In the District XI tournament, held February 29 and March 1, the team captured second place with 33 points. District Championships were won by John Alick and William Daney in the 98 and 106 pound classes, respectively. Harold Wilson wrestling at 95 pounds scored the fastest pin of the season for Nazareth in 30 seconds against Allentown.

Displaying Our Skills

To determine the spelling champions of the Lehigh Valley, The Call-Chronicle Newspapers sponsored spelling bees in Allentown on March 25 and 26 with three Nazareth High students participating.

In order to guide seniors in choosing a vocation, the State Employment representative administered tests to fifty students interested in vocational assistance. After the test results were compiled, each student was interviewed and given suggestions in making plans for the future.

Developing Track Skills

In the 1951 Track season Nazareth High met very stiff competition in the dual meets, and, as a result, went through the season without a victory.

In the Lehigh-Northampton League Meet, the squad placed third in a field of five. The team as a group placed eighth in a field of ten in the Penn Relays. Six Nazareth players entered competition in the District XI meet and scored three points.

In the 1951 season the Blue Eagles proved quite successful, winding up third in the Lehigh-Northampton League competition.

After winning one, tying one, and losing one in the independent games, the Eagles plunged into league competition by downing Fountain Hill eight to nothing. The second game found Parkland's championship team overpowering the Leh lads by a close three to two score. The Eagles came back strong, however, defeating Hellertown ten to five. After banging out a thirteen to one win over Bangor, the Eagles were downed four to one by the East Stroudsburg crew. The Eagles wound up the league competition by winning three straight games — Wilson, Pen Argyl, and Coplay.

The final independent game found a strong Phillipsburg nine whipping the Eagles thirteen to three.

Statistics show that John Keglovits was the leading batter with a high .425 average, while John Polzer was the leading defensive man with a .964 fielding average. In the pitching department Keglovits led with a three and one record. Charles Rissmiller came in second with a three and three record. Phil Ciarrocchi turned in one win without a loss.

Stephen Hann was elected team captain.

CREATING IN THE ARTS

As Art takes many forms, Nazareth High offers a variety of courses to give students an opportunity to work in different areas. Fine art, Industrial Art, and Mechanical Drawing are the three major divisions that courses provide.

Fine Art offers many possibilities for using the imagination. There are many media, such as clay, charcoal, tempera, water colors, pastels, pen and ink, and pencil. Such subjects as portraits, posters and design, landscape, illustration, sketches from life, ceramic sculpture and pottery, and various other forms are planned and executed in the various media.

Visitors examine drawings

Students model in clay

Producing Art Crafts

Students have opportunities to display their talents at the annual Arts Exhibit, the scholastic Arts contest, the local poster contests, and occasionally in a state or national contest. However, emphasis is not placed upon competitive skill but upon individual expression and the development of creative ability, and also the variety of techniques and media to give the student a deeper appreciation of the Fine Art in its various forms.

Students demonstrate paint removing, shellacking, wood filling, and waxing.

And Industrial Projects

Over-all shot portrays woodworking projects

Industrial Art and Mechanical Drawing work cooperatively in developing the manual skill of the individual. Our well-equipped shop includes a sander, a planer, several lathes, a circular saw, and complete individual tools to equip a full class of boys.

During the year the students learn the principles of woodworking by practical application and by the end of the year they have a completed project to show their mastery of the subject. These projects are also exhibited at the Annual Arts Exhibition.
